**Announcement for the 99th BARC Radiography Testing and Radiological Safety Level -2
Training Programme**

Training Programme in Radiography Testing and Radiological Safety Level -2 (Course No. #99) as per AERB/BIS scheme will be held in collaboration with Institute for Design of Electrical Measuring Instruments (IDEMI), an organization under the MSME, Government of India at IDEMI, Swatantryaveer Taty Tope Marg, Chunabhatti, Sion, Mumbai-400022, India. The details of the proposed course are as follows

Course No. : 99

Duration: November 16 - December 17, 2026 (Tentative)

Examination/Re-examination*: December 14 - 15, 2026 (Tentative)

Last date for fresh applications (99th Course & Re-examination): October 10, 2026

*Dates for written/practical examination for unsuccessful candidates (previous batches) may be intimated separately.

Updated course details may be downloaded from website of BARC, Mumbai (https://www.barc.gov.in/careers/barc_rtl2.html) and IDEMI, Mumbai (<https://idemi.org>). Course and examination dates may be revised/postponed under unavoidable circumstances. No correspondence will be entertained in this regard.

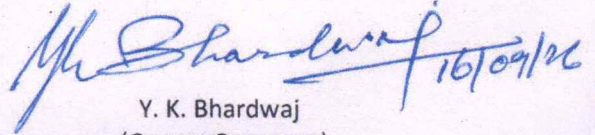

Kindly note that we have already received large number of applications from prospective candidates during last few months. Request for confirmation and willingness to attend the 99th training course are being sent to eligible applicants through email on first come first served basis.

All concerned applicants are requested to check inbox of their email IDs (as provided in the application forms) and also SPAM folders and respond accordingly within the specified time.

The above guidelines and information are applicable to candidates of Indian nationality and whose applications are received from within the country only.

This is for information to all concerned.
