

# IDEMI

(Government of India Society)  
(Ministry of Micro, Small & Medium Enterprises)

## Government Certificate Course in ADVANCED EMBEDDED TECHNOLOGY

**Regular Batch**  
01<sup>st</sup> February 2021  
Timing: 10 am to 1 pm

**Weekend Batch**  
06<sup>th</sup> February 2021  
Timing: 9.30 am to 4.30 pm

### MODULES

- Microchip PIC MCU
- Embedded C Programming
- Communication Protocol- Implementation
- Robotics: Sensors & Motors
- ARM Processor (LPC2148 / ARM CORTEX Series)
- VHDL Based FPGA Programming
- Key Concepts of Internal & External Peripherals Programming & Interfacing, development tools.

**For Whom:** B.E/Diploma in Electronics/ EXTC/Biomedical/ Instrumentation/ Computer/IT/Electrical, B.Sc./M.Sc. in IT/Physics/Electronics.

### Venue & Registration

## INSTITUTE FOR DESIGN OF ELECTRICAL MEASURING INSTRUMENTS

Eastern Express Highway, opp. Everard Nagar bus stop, Sion, Chunabhatti, Mumbai - 400022.
